RHODODENDRONS -- WHOLESALE

LINERS

LIBRARY

RECEIVED

★ JAN 30 1961 ★

As this is being written our liners are in the benches, well rooted, and ready to be transplanted for growing on. They will be disbudded as they push to make branched, stocky liners ready for shipment by June 1 or a little earlier, as soon as their first flush of growth has hardened up.

These should not be confused with "rooted cuttings" as they have been transplanted, debudded, fertilized and developed into stocky little plants all ready to make a good start in the lath house.

For more information about these varieties see "Rhododendrons 1956" by the American Rhododendron Society. We actually propagated many additional varieties, in small lots, so ask for any not listed-- we may have them. All plants from cuttings of course.

BUDDED RHODODENDRONS

At this time we have available budded plants of the following varieties. If you are interested, let us know varieties and numbers so we can give you current information as to what is available, sizes, and prices.

PRICES

Let us quote on your needs. Prices may vary somewhat depending on whether a variety is an easy propagater, the numbers on hand, and the general "appearance" of the plants. Grading is a complex problem and must of necessity reflect personal ideas. We feel our grades are on the liberal side. The following schedule for budded plants is indicative of prices for most varieties but our quotes may vary, depending on conditions, mostly in the direction of savings to the customer. We would like to have you see the plants, as we price them, if at all possible.

12 - 15 inches	\$3.25
15 - 18 "	3.75
18 - 21 "	4.25
21 - 24 "	5.00

The unbudded plants in the lath house, ranging from 6 - 8 ins. to 10 - 12 ins. will run \$1.75 to \$2.25 depending on variety, and size and appearance of plant.

Our Location

We are on the Sand Ridge Road, about 4 miles northeast of Long Beach, on a narrow peninsula between the Pacific Ocean and Willapa Bay. This is in the extreme southwest corner of the state of Washington. We would be very glad to have you stop in and examine our plants any time you happen to be in this vicinity.

Terms

Cash with order, F. O. B. Long Beach, Washington. Plants are guaranteed true to name but we will not be liable for more than the purchase price. Plants become your property upon delivery, in good condition, to the transportation company.

Shipment

Plants will be shipped by Motor Freight, collect, unless otherwise specified. We sometimes deliver truckload orders within a radius of 200 miles, for a reasonable charge, or will quote on a "delivered" basis.
